HONGKONG, MAY 1st, 1893.

THE Australian mail received by the Changsha on Saturday brings detailed news of the suspension of the Commercial Bank, and the commencement of the crisis which is now playing such havoc with the banking institutions of the Colonies. As will be seen from the telegram published in another column, still another failure has to be added to the already long list. And these failures forth be addressed as :- "Your Imperial Majesty are the more significant inasmuch they have taken place in spite of proffered assistance from the Victorian Government and the associated banks. In March a public notification was issued of the agreement of the associated banks in Melbourne to "render financial assistance to each but when the Commercial Bank found managers of the Commercial Bank, however should be threatened, the Government. sistance that was offered to the Commercial Bank of Australia, and the belief was ex of the land boom in Victoria. Money honours should be paid to the deceased official and realise their assets to meet the withdrawals in Shansi in 1885 and in Anhul in 1889.

by timid depositors. The colony of Victoria, with its rich natural resources, w make a good recovery from the disaster which has befallen it, but the bank failures some time to come. There must have been something very defective in a system of banking that has broken down so lamentably under a strain which might so readily have cen forescen.

A. G. Goldsmith. ALFRED SMITH, I. M. Cus- 28rd April, states:—Fire broke cut on board Shanghai from Peking to the effect that the tion of the working and of the position of the appoint the expectant Taotai Ching To-chai Assistant the Ocean steamship Priam in this harbour to. Grand Council has presented to the Throne a business generally may not be out of place. The Director-General to manage and transact the affairs working account, 1891, has resulted much worse of the Company with the expectant Taotai Shin Tazothan was anticipated, owing to the large amount | mui jointly. This was granted. No doubt, they will of unexpired risks at the end of that yearmostly time and block risks written in London before we put a stop to that kind of business- total of 10 per cent, including the official interest baving run off most unfevourably; for where-10 per cent, to be paid on the 1st of the 3rd month. as the claims attaching to the four years i previous to 1391, paid after closing the books and after allowing estimated ing claims, averaged 1,60 per cent, of the amount of unexpired risks, those for 1891 holders. account amounted to 5.61 per cent. You will notice the large amount of premia paid for reinsurance, this resulted in saving the Association several thousands of dollars. Of the 299,123 paid for claims \$76.914 were under London policies and mostly on business that is now prohibited. This seems to have been the experience of many other offices, for I noticed the other day

in one of the home papers, I think it was in Fair Play, the winding up of 1891 Marine Insurance Accounts characterized as an all round scuthing visitation upon underwriters. To meet the deficiency it has been necessary to take \$60,000 from the Reserve Fund, of which a balance of \$5.010.92 now remains at credit of the account. The Working Account of former years shows a balance of \$15.137.3) at credit and as we think probable salvages will cover out-goings on this as well as on 1891 account, trust soon to be able to begin to pay back to the Reserve Fund what has been taken from it, as indeed, the articles of association require to be done when oiroumstances permit. I need not point out how necessary it is to have a substantial reserve, especially in view of the intended reduction of our paid up capital and | Kaiping shares in exchange for Co.'s own our increasing business in the East. Now with regard to the Working Account for 1892, it affords your directors the greatest satisfaction to make so good a showing, with only half the Old debts secured by land mortgages and amount of unexpired risks there was at same time last year, as to be able to recommend the payment of a dividend of 36 per share, carrying forward an ample balance to more than cover, we believe. all known and unknown losses. Last | Value of Company's steamers vear I expressed the hope that with the support the Association was then enjoying and the hearty co-operation of sharsholders we should soon be able to make satisfactory returns for which you had so long been waiting. I am very pleased that this expectation has already been so far realised, and I feel equal confidence in the future. Our local business has been steadily increasing until within the last two or three months, the general dulness of business has slightly affected the receipts, but this we do not think other than tem-

he exception of London, where, as you know, we are confining ourselves within very narrow Cargo-beat hire for rice-transport imits, and I am happy to add with satisfactory Godown hire from customers' goods results. We cannot do without an agency in- Rent received at all ports having appointed Mr. R. Blackwell as Agent, with a Consulting Committee consisting of Mr. Sydney Hudson and Mr. M. Adamson, with power to appoint a third member if necessary, the Ront of land at Shanghai interests of the Association are secured. With regard to the reduction of capital your directors have fully shared in the disappointment you Interest, various must all have felt at the long time we have been awaiting permission from the Court at Hongkong to carry into effect the special re- Balance in hand solution passed with this object in February and Murch of last year. After doing all we could to find out what would be required of us we learnt that the consent of all creditors, in Depreciation on steamers and godowns cluding all policy holders on the 1st of October, was necessary. This very arduous task was, after some correspondence backward and for Balance in hand ward, at last fulfilled and only on the 7th instant we heard by wire from Hongkong that the judge had decided we must insert a cortain advertise. ment in the papers of that Colony for six weeks, after which, we are given to understand, it will Not balance carried to next account take about two or three weeks more to complete | Reserve find from previous years

which, if insisted upon, would have lengthened the dolay considerably. The directors have

LONDON. 27th March. The British military authorities, under order I from the Government, recently tested the 661,699 the Government for the supply of uniforms to disputes with the Sailors' Union. the army. The cloth is similar to that now 705,340 spoken of in Germany. The tests applied in Great Britain, however, had the result of proving that the material was not what it was represented

691,840__lo be.

Dowe, the inventor of the bullet-proof uniform for the army, has offered to the Gorman Govern-The C. N. Co.'s steemer Changeha, from | ment the secret of the manufacture of the cloth for 3,000,000 marks (£150,000). Count von Caprivi, the Imperial Chancellor, has replied that he will consider the offer.

LONDON, 30th March. Herr Dowe's ourrass of cloth, which is alleged to be proof against bullets, and which he has offered to sell to the German Government for use by the army, has been tested at Monnhaim, in Balen. The tests were made with live pigs. The cloth proved able to resist at a distance of every calibre. The Lebel rifle was not tried. Herr Reidel, another German, claims to have invented an even better and lighter uniform of the same character.

The Austrian War Office has decided to adopt bullet-proof cloth invented by a man named Sylander. THE LATE MR. BAIRD'S BETATE.

LONDON, 30th March.

Truth implies that the late Mr. G. A. Baird "Mr. Abington") has left Mrs. Linktry £50,000 a year. LONDON, 2nd April.

The late Mr. G. A. Baird (" Mr. Abington" has been quietly buried at Kelso. His will was London, 6th April,

The late Mr. G. A. Baird (" Mr. Abington " bequeathed everything to his mother for life, and at her death his estate is to be divided among his cousins. Nothing was left to Mrs. Lingiry. SAMOAN AFFAIRS.

LONDON, 4th April. Mr. R. L. Stavenson has written a letter to the Times in which he refers to an ordinance issued by Sir John Thurston, Governor of Fiji and High Commissioner of the Western Pacific, and describes it as " barbarous."

LONDON, 6th April. Herr Conrad Cederkrantz, Chief Justice of amoa, who has applied to be allowed to resign, has written a letter to a Swedish paper in which he instifies his conduct in Samos, stating that the an announcement of the fact that the members white population there are chiefly deserters from essels, and adventurers whose interest it is to provent peace being maintained. The Consuls. he says, did everything they could against the

> London, 7th April. In roplying to a question in the House of lommons, Mr. Sydney Buxton, Under Secretary for the Colonies, said that Sir John Thurston. High Commissioner for the Western Pacific, had been instructed to modify his ordinance against sodition in Samos, which, he added, was not aimed exclusively against Mr. R. L. Stevensou. SINKING OF A TURKISH STEAMER.—ATTACE ON

THE LIFE OF THE BULTAN. LONDON, 5th April. A steamer belonging to the Sultan's Palace at onstantinople has been sunk. Sixty persons were drowned. The Sultan of Turkey has forbidden all Turkish journals to appear until the afternoon, his Majesty having been offended by the publication

d particulars of the sinking of a steamer belong-

ing to the palace, by which 60 lives were lost. LONDON, 6th April Owing to the suppression of the details of the sinking of the Sullan's stramer at Stamboul, it is generally believed in Vienna that the disaster was really the result of an attempt upon the life of the Sultan-of Turkey, Abdul Hamid II. TERRIBLE SUFFÉRINGS OF A SHIPWRECKED

LONDON, 5th April. The barque King James, which left Newcastle, New South Wales, on December 23, for San Francisco, California, has been burned at Boa, about 200 miles west of her destination. The fire broke out on 19th March. The crew fought place in the hold, the greater portion of the ship being destroyed. The hull floated long enough to enable the crew to clear the beats; which were not much damaged, and they were thus enabled o escape from the sinking bu I.

One boat, containing the mate, two apprentices, and 13 of the crew, reached Point Conception, on the coast of California on Monday last. The other boat, which contained the captain, his son, two apprentices, and 13 hands, has not been heard of since Saturday last, when the two boats were saparated in a gale.

LONDON 6th April. The second boat, containing the remaining surviyors of the ship King James, from Newcastle, New South Wales, to San Francisco, California, which was burned at sea, has arrived in safety. Twelve men were lost by the disaster.

The captain of the King James has related an account of the awful experiences of the crew after leaving the sinking ship. The castaways The drilling of rifle clubs by moonlight in suffered terribly from thirst several of their beat were prevented from sleeping by the fear that they would be murdered in their sleep by their mad comrades.

before Prince Bismarck's home. Among the been my good fortune to achieve. first persons from whom Prince Bismarck received congratulatory messages yesterday were the Empress Frederick, Prince George of Prassia, the King of Sarouy, the Regent of 2.347 Newspapers :-Bavaria, and the Grand Duke of Baden. No message was sent by Emperor William.

MISCELLANEOUS ITEMS. NORWICH (Conn.), 27th March. On Sunday afternoon, March 10th, an exbausted carrier pigeon lit upon a fence back of Rev. F. E. Fellows' house on Otis street. The next day it was found upon the ground dead. Upon the pigeon's leg was an aluminum band marked "N. 7566." The bird was found on examination to have died from starvation. It is

PARIS. 30th March. A greater part of the arsenal in Lille was burned to-day. The magazines, however, were saved. The loss is 1,000,000 francs.

New York, 3rd April. Mark Twain arrived to day on the steamship A Judge at New Orleans has decided that the Kaiser Wilhelm, from Genoa. His only possesaction of labour organisations in ordering a sion was a small band satchel whose contents general strike is unlawful, and that merchants had been carefully overhouled by the customs managed to escape recognition by those who Gibraltar," and was assigned to room 26. He carefully concealed his identity at the hotel until Colonel North's famous coursing dog Fuller. it was discovered by means of a telegram which ton has been lost or stolen. This groyhound is he sent early in the evening, and then he shut by Greentick-Sit of Fashion, and up to the himself in his room and refused to be seen. date of the contest for the Waterloo Cup this When a reporter called at the hotel he was enyear, when he came to grief by an accident, he gaged and could not spare time to talk, which was singular.

LONDON, 3rd April. A yacht carrying eighteou persons cansized in ed by fire. The buildings were completely gut. the Crouch, a short distance from Burnham, this ROME, 3rd April. Abhilles Apolloni, cardinal deacon, died to day.

LATE TELEGRAMS.

The following telegrams are from the Rangoon

LONDON, 8th April. The death is announced of Mr. Vicat Cole, Dairy Farm Co. the celebrated lan lacape painter The death is an rounced of General Elgee. TURKEY AND AMERICA. LONDON, 8th April.

At ries is vigorously demanding from the Porte paration for the burning of the Amerifrom the masses, and to provide for labour fair can seminary at Marsovan by a Massalman mob. THE PROTECTION OF HULL London, 10th April. Two gan-boats have arrived at Hall to protect

the docks from any attack from the river. INOCULATION AGAINST CHOLERA. ALLAHABAD, 11th April. Monsieur Haffkine has inconfated large numhers of people against cholera at Agra, two ladies

being among those treated. LORD ROBERTS ON THE INDIAN ARMY AND DEPENCES.

BOMBAY, 7th April. Lord Roberts was entertained at the Broulin Club to-night. His health was proposed by Mr. In the first 30 rounds Lewis had the bottor of Justice Bayley. Lord Roberts, in reply, alluded the fighting, Burge being hadly punished, first to the coast defences. He said Bombay Lawis then broke his right hand and after. will be secure, in the opinion of the naval and wards fractured his left hand. Burge then military authorities best qualified to judge, forced the fighting until the finish. The fight from any attack by sea to which it is likely to be exposed. The same remark, he was glad to It is reported that the Czar of Russia, while say, applies to the ports of Adea. Karachi, looking through his album at the Imperial Calcutta, and Rangoon.
